# ABOUT PAGE

Page Turner, a powerhouse in real estate and star HGTV personality, exemplifies the #liveunlimited mindset. With two decades of experience, she turned challenges into opportunities during the recession, generating millions in property sales as a single mom. Her most recent strategic power move was joining forces with eXp Realty, propelling her already illustrious career to new heights. As the author of "The G.O. Life" and host of "Fix My Flip," Page's motivational mantra inspires entrepreneurs to thrive, leaving audiences eagerly anticipating more. Page Turner's story is not just a success tale; it's a symphony of resilience, tenacity, and the unwavering commitment to #dothework.

# REAL ESTATE

Licensed in 2003, Page Turner served as the principal broker and owner of EGAP Real Estate for a remarkable **15 years**. Overseeing a **team of over 50 agents**, she facilitated **property sales exceeding \$100 million**, demonstrating her expertise across various aspects of residential real estate, flipping, investing, and business development. Notably, during the recession, Turner's strategic acumen enabled her company to generate substantial revenue, allowing her to single-handedly support her daughters through private schooling and prestigious universities.

Turner's career trajectory underwent a significant shift upon her introduction to eXp Realty's innovative platform. Recognizing the immense potential, she swiftly transitioned from her beloved brokerage to join **The Collective/Dream Chasers, powered by eXp Realty**, marking a pivotal moment in her continued success within the real estate industry.
